IN RE: BAKER & TAYLOR, LLC, Debtor	Case No.: 26-12863 Judge: Christine M. Gravelle Chapter 11

GLOBAL NOTES, RESERVATION OF RIGHTS,
AND STATEMENT OF LIMITATIONS, METHODOLOGY AND
DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND SOFA

Baker & Taylor, LLC (the "Debtor") is filing these Global Notes (as defined below) as a supplement to and integral part of its Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "SOFA") filed in the Bankruptcy Court for the District of New Jersey (the "Bankruptcy Court"). The Debtor prepared its Schedules and SOFA pursuant to section 521 of Title 11 of the United States Code, as amended (the "Bankruptcy Code"), and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), with the assistance of its advisors. These *Global Notes, Reservation of Rights, and Statement of Limitations, Methodology and Disclaimer Regarding Debtor's Schedules and SOFA* (the "Global Notes") pertain to, are incorporated by reference into, and comprise an integral part of, the Schedules and SOFA, and should be reviewed in connection with any review of the Schedules and SOFA.

The Debtor and its officers, employees, agents, attorneys and financial advisors relied on financial data derived from the Debtor's books and records that was available at the time of preparation, do not guarantee or warrant the accuracy or completeness of the data that is provided in the Schedules and SOFA and shall not be liable for any loss or injury arising out of or caused

in whole or in part by any acts or omissions, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein or in the Schedules and SOFA. Except as expressly required by the Bankruptcy Code, the Debtor and its officers, employees, agents, attorneys and financial advisors do not undertake any obligation to update, modify, revise or re-categorize the information provided herein or in the Schedules and SOFA or to notify any third party should the information be updated, modified, revised or re-categorized. The Debtor, on behalf of itself, its officers, employees, agents and advisors, disclaims any liability to any third party arising out of or related to the information contained in the Schedules and SOFA and reserve all rights with respect thereto.

The Schedules and SOFA has been signed by an authorized representative of the Debtor. In reviewing and signing the Schedules and SOFA, this representative, the Chief Executive Officer, supervised the efforts of the Debtor's personnel and professionals and relied upon the statements of certain representatives of the Debtor's personnel and professionals. The representative has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors and their addresses.

1. Reservation of Rights. Reasonable efforts have been made to prepare and file complete and accurate Schedules and SOFA; however, inadvertent errors or omissions may exist and conflicting, revised, or subsequent information may be discovered. The Debtor (i) reserves all rights to amend or supplement the Schedules and SOFA from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and SOFA with respect to claim ("Claim") descriptions, designations, or party against which the Claim is asserted; (ii) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and SOFA as to amount, liability, priority, status, or classification; (iii) subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or (iv) object to the extent, validity, enforceability, priority, or potential avoidance of any Claim. Any failure to designate a Claim in the Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against the Debtor. Furthermore, nothing contained in the Schedules and SOFA shall constitute a waiver of rights with respect to the Debtor's chapter 11 case (the "Chapter 11 Case"), including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, recharacterization, and/or Causes of Action (defined below) arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Further, listing a Claim (i) in Schedule D as "secured," (ii) in Schedule E as "priority" or (iii) in Schedule F as "unsecured nonpriority," or listing a contract in Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant or a waiver of the Debtor's right to recharacterize or reclassify such Claim or contract.

Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the foregoing general reservation of rights.

2. **Description of the Case and "as of" Information Date**. On March 16, 2026 (the "Petition Date"), the Debtor commenced its voluntary case under Chapter 11 of the Bankruptcy Code. The Debtor continues to manage and operate its business as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in the Chapter 11 Case.

Except as otherwise noted in the Global Notes or Schedules and SOFA, all asset and liability information are valued as of the applicable Petition Date. In some instances, the Debtor has used estimates or pro-rated amounts where actual data as of the aforementioned dates was unavailable. The Debtor has made a reasonable effort to allocate liabilities between the pre- and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and SOFA. As additional information becomes available and further research is conducted, the Debtor may modify the allocation of liabilities between the pre- and post-petition periods and amend the Schedules and SOFA accordingly.

3. **Basis of Presentation**. The Schedules and SOFA reflect financial information for the Debtor only and do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled with any financial statements otherwise prepared and/or distributed by the Debtor. Additionally, the Schedules and SOFA contain unaudited information that is subject to further review and potential adjustment and reflect the Debtor's reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the valuation and nature of certain liabilities, to the extent that a Debtor shows more liabilities than assets, this is not a conclusion that the Debtor was insolvent at the Petition Date or any time prior to the Petition Date.

4. **Currency**. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

5. **Fiscal Year**. The Debtor's fiscal year is reported on as ending June 30th.

6. **Recharacterization**. Notwithstanding the Debtor's reasonable best efforts to properly characterize, classify, categorize or designate certain Claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and SOFA, the Debtor may, nevertheless, have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtor's business. Accordingly, the Debtor reserves all of its rights to recharacterize, reclassify, recategorize, redesignate, add or delete items reported in the Schedules and SOFA at a later time as is necessary or appropriate as additional information becomes available.

7. **Fair Market Value; Book Value**. Unless otherwise indicated, the Schedules and SOFA reflect net book values for assets as of the dates stated in the Global Notes, as reflected in the Debtor's books and records. For each of the projects, the book values represent the costs incurred to the date for each of the projects. Amounts ultimately realized may vary from net book value, and such variance may be material. The amounts listed for certain assets do not include write-downs, if any, that may be necessary and would ordinarily be applied under GAAP to ensure a conservative statement of assets. If these assets have material value, the Debtor will pursue

collection. Operating cash is presented at book balances as of the Petition Date. Certain other assets, such as intangible assets, are listed as undetermined amounts as of the applicable Petition Date because the book values may materially differ from fair market values. Liabilities pursuant to "Notes" and "Units" are presented exclusive of any asserted accrued interest.

8. **Claims of Third-Party Related Entities**. Although the Debtor has made reasonable efforts to properly classify each Claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated and/or contingent or noncontingent, the Debtor has not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtor's obligations to both such entities and their affiliates. Therefore, to the extent that the Debtor has classified Claims of a creditor as "disputed" "unliquidated" and/or "contingent," all Claims of such creditor's affiliates listed in the Schedules shall similarly be considered as disputed, unliquidated and/or contingent, whether or not they are designated as such.

9. **Insiders**. For purposes of the Schedules and SOFA, the Debtor defines "insider" pursuant to section 101(31) of the Bankruptcy Code as (a) directors, (b) officers, (c) relatives of directors or officers of the Debtor, (d) any managing agent or managing member of the Debtor and (e) entities under common ownership with the Debtor. Payments to insiders listed in (a) through (e) above are set forth on SOFA Item 3.c. Persons listed as "insiders" have been included for informational purposes only. The Debtor do not take any position with respect to whether such individual could successfully argue that he or she is not an "insider" under applicable law, including without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

10. **Intellectual Property Rights**. The omission of any intellectual property from the Schedules shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

11. **Executory Contracts and Unexpired Leases**. Although the Debtor made diligent attempts to set forth in Schedule G all executory contracts and unexpired leases of the Debtor, regardless whether these contracts and leases have value to the Debtor's estate. The Debtor's rejection of executory contracts and unexpired leases may result in the assertion of rejection damage Claims. The Debtor reserves the right to make any arguments and objections with respect to the assertion of any such Claims.

12. **Causes of Action**. Despite its reasonable efforts to identify all known assets, the Debtor may not have listed all of its causes of action or potential causes of action against third-parties as assets in the Schedules and SOFA, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtor reserves all of its rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-Claim, counter-Claim, or recoupment and any Claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated

or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law it may have, and neither these Global Notes nor the Schedules and SOFA shall be deemed a waiver of any Claims or causes of action or in any way prejudice or impair the assertion of such Claims or causes of action.

13. **Setoffs**. The Debtor may incur certain offsets and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, returns, refunds, warranties, debit memos, credits, and other disputes between the Debtor and suppliers and/or customers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtor's industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are or may be excluded from the Schedules and SOFA.

The claims of individual creditors for, among other things, goods, products, services or taxes are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtor. The Debtor reserves all of their rights regarding such credits, allowances or other adjustments.

14. **Global Notes Control**. The Schedules and SOFA are subject to and qualified by the Global Notes. In the event that the Schedules and SOFA differ from the Global Notes, the Global Notes shall control.

Respectfully submitted,
